Dear Tony,

We were very pleased to receive Barone's Pizza donation of pizza, pasta, and bread catering donation for our "Bowling for the Animals" Charity event on March 6, 2010.

Our event was a great success. The bowling was fun, food delicious, prize drawing exciting and plenty of laughs and smiles. Everyone had a fantastic time - all for a great cause!

"Bowling for the Animals" is made possible, with the help from our community friends and businesses like yours. As a not-for-profit corporation, these funds are a critical factor in helping us meet our operating expenses each year.

Thank you for caring and for your support. We're thankful to be able to count you among our supporters.

Sincerely,

Pam Salomone
